Graduation Speakers

Consecration Speaker

Tanya Schulterbrandt is a devoted wife and mother of two sons—one a Weimar graduate now at Loma Linda Dental School, the other graduating this weekend. She serves as Student Finance Advisor at Weimar University, following her time as a Staff Accountant at Fountainview Academy in British Columbia. Yet she considers her most rewarding role to have been homeschooling her children. Tanya loves the Lord, is deeply committed to prayer, and faithfully lifts her students' financial needs before Him. She embraces life fully, often found running the hills of campus, living each day with eternity in view.

Commencement Speaker

Randy Skeete is a theology graduate of Oakwood University and Andrews University. A self-supporting international evangelist, he has preached widely across Africa, Southeast Asia, and beyond, including on university campuses around the world. He previously served 12 years in campus ministries in Michigan and 15 years at the University of Michigan Medical School. Originally from Barbados, he now lives in Ann Arbor, Michigan, with his wife. He is deeply devoted to Scripture and the writings of Ellen G. White.
