

Parent SEMINAR

Practical wisdom and hope for raising confident, grounded, and resilient children in today's world—rooted in God's truth.

About David Jones

David Jones has dedicated his career to helping at-risk youth, military veterans, and families overcome trauma and life's toughest challenges. Drawing from experience as a clinical director, licensed marriage and family therapist, university professor, and traveling speaker, he brings a deep commitment to healing and transformation through God's Word.
