Stories • Music • Crafts • Prayer

September 16-22

8:30-10:30 AM • School Days

Weimar Elementary School

Join us for a special Week of Prayer with Pastor Joel Nephew of the Michigan Conference and his wife, Corina! Pastor Joel's hobbies range from beekeeping and building projects to missionary stories and nature study. Throughout the week, he'll share exciting stories from his own brushes with God's amazing second book, each with meaningful, character-building lessons. Corina, a teacher and former homeschool mom, will lead fun, creative crafts inspired by the stories he shares.

*Come ready for a week of
stories, music, creativity, and
discovering God through His creation!*
